- 09:00 - Registration
- 09:30-11:30 “Ancient Greek and Chinese philosophy on health and illness”**
- 09:30-10:00 Two worlds and two medicines: A comparison between ancient Greek and Chinese medicines
Bai Xinghua, Professor, Beijing University of Chinese Medicine, China
- 10:00-10:30 From Hippocrates and Dioscorides to biomedical research and implementation
Lionis, Ch., Professor, Medical School, University of Crete, Greece
- 10:30-11:00 The contribution of Hippocrates and his successors on the route of medicines
Skaltsa, H., Professor, Department of Pharmacy, National & Kapodistrian University of Athens, Greece
- 11:00-11:30 The common elements between Ancient Greek and Traditional Chinese Medicine
Tilikidis, A., Medical Doctor, Founder of the Academy of Ancient Hellenic & Traditional Chinese Medicine, Greece
- 11:30-12:00 Coffee Break
- 12:00-14:00 “Current health issues and medical approaches”**
- 12:00-12:30 Anti-inflammatory effects of oxyresveratrol on LPS-stimulated RAW264.7 cells are mediated by estrogen receptor activation
Fan Guanwei, Professor, Tianjin University of Traditional Chinese Medicine China
- 12:30-13:00 Hitting cancer with a naturally occurring, cell-permeable tumor suppressor
Alevizopoulos, N., CEO & Chairman, TheraPten Biosciences Inc, Vancouver, Canada

- 13:00-13:30 A non-toxic drug to cure leukemia: Arsenic trioxide as a treatment for leukemia in 1970's Northern China
Chatzis, Th., Hematologist, Greece
- 13:30-14:00 Development of a National e-health system for the prevention and management of childhood obesity in Greece
Charmandari, E., Professor, School of Medicine, National & Kapodistrian of University Athens, Greece
- 14:00-15:15 Lunch Break
- 15:15-16:00 Plenary session /**
Plenary session / The concepts of homeostasis and stress in Western philosophy and Medicine: comparisons with the East
Chrousos, G., Professor, School of Medicine, National & Kapodistrian University of Athens, Greece.
- 16:00-18:00 "Quality of life and natural products"**
- 16:00-16:30 Role of Kampo (Japanese traditional) medicines in modern Medicine and their scientific evaluation
Haruki Yamada, Professor, School of Pharmacy, Tokyo University, Japan
- 16:30-17:00 Development of innovative health products on the basis of non-wood traditional forestry resource and their bioactive extracts in China
Wang Chengzhang, Professor, Institute of Chemical Industry of Forest Products, Chinese Academy of Forestry - ICIFP, China
- 17:00-17:30 Bioactive compounds from natural sources and their use in Medicine
Ferraro, A., National Technical University of Athens, Greece
- 17:30-18:00 Cinnamon extract preparation method, composition and application
Junjie Yang, Chairman & CTO, Bridge Biomed, China
- 18:30-20:00 Poster session (I) - Exhibition

Saturday 13 May 2017

- 09:00 - Registration
- 09:30-11:30 "Pharmaceuticals from natural products"**
- 09:30-10:00 Searching for bioactive leads from medicinal plant resources
Ye Yang, Professor, Shanghai Institute of Materia Medica, China
- 10:00-10:30 Regulatory framework for pharmaceuticals from natural products
Chinou, I., Professor, Department of Pharmacy, National & Kapodistrian University of Athens, Greece
- 10:30-11:00 Diversity of chemical compositions and biological activities of Chinese propolis
Liping Luo, Professor, Food Science, Nanchang University, China
- 11:00-11:30 Quality by design applications in pharmaceutical dosage form design
Rekkas, D., Associate Professor, Department of Pharmacy, National & Kapodistrian University of Athens, Greece
- 11:30-12:00 Coffee Break

12:00-13:30 “Bio-mimetics”

- 12:00-12:30 “Biomimetics: the Holy Grail of life sciences”
Cefalas, C., National Hellenic Research Foundation, Greece
- 12:30-13:00 Iterative procedures to highlight the formation of molecular aggregates of water molecules in pure perturbed water
Elia, V., Professor, Promete Srl, Naples, Italy
- 13:00-13:10 Biosensors: A versatile tool for personalised healthcare
Raptis, I., National Center of Scientific Research “Demokritos”, Greece
- 13:10-13:20 Polymeric surfaces imitate polar entropic competition in living cells
Gavriil, V., National Hellenic Research Foundation, Greece
- 13:20-13:30 Pharmacokinetics vs biomimetics:
The basis of physiology of radiomolecular diagnosis and therapy
Limouris, G.S., School of Medicine, National & Kapodistrian University of Athens, Greece
- 13:30-15:15 Lunch Break

- 15:15-16:00 Plenary session /** The placebo effect: What it is, how it works
Benedetti, F., Professor, Medical School, University of Turin, Italy

16:00-18:00 “Technologies for Human Health and wellness”

- 16:00-16:30 Separation of active compounds in traditional Chinese Medicine with high-speed counter current chromatography
Xin-Yi Huang, Ass. Research Fellow, Chemical Physics, Chinese Academy of Science, China
- 16:30-17:00 Magnetic nanoparticles and sensors for biomedical applications
Kokkinis, G., TU Wien, Austria
- 17:00-17:30 Neurovascular pathways to neuroinflammation in Glaucoma
Tsamopoulos, N., Medical Doctor, Mediteraneo Hospital, Athens, Greece
- 17:30-18:00 Magnetic particle imaging
Hristoforou, E., Professor, National Technical University of Athens, Greece
- 18:00-18:30 Utilizing the latest developments in mass spectrometry to speed innovation in medical research
Tsarbopoulos, A., Professor, School of Medicine, National & Kapodistrian University of Athens, Greece
- 18:30-20:00 Poster session (II) - Exhibition

Sunday 14 May 2017

09:30-11:30 “Pharmaceutical Plants”

- 09:30-10:00 Biological evaluation of pharmaceutical plants: Linking the chemical and biological fields
Tzakos, A., Associate Professor, Department of Chemistry, University of Ioannina, Greece
- 10:00-10:30 Therapeutic benefits of Chios mastic gum
Skevofilax, S., Medical Doctor, Chios General Hospital, Greece
- 10:30-11:00 Investigating the use of natural products as prophylactic and therapeutic treatment in cardiovascular diseases
Andreadou, I., Associate Professor, Department of Pharmacy, National & Kapodistrian University of Athens, Greece

- 11:00-11:30 Principal of the similars: A common treatment theory of Hellenic and Chinese Medicine
Dimitriou, I., Medical Doctor, Hellenic Corporation of Chinese Medicine, Greece
- 11:30-12:00 Coffee break
- 12:00-13:30 "Alternative Therapeutical Approaches"**
- 12:00-12:30 TBA
- 12:30-13:00 Upper half body infrared radiation distribution during Sahaja Yoga meditation
Tzanetaki, T., National Technical University of Athens, Greece
- 13:00-13:30 Challenges in health tourism
Kouskouris, K., Professor of Dermatology, President of the Hellenic Academy of Thermal Medicine, Greece
- 13:30-14:00 Advanced homeopathy an application for all health practitioners
Polychronopoulou, Z., Medical Doctor, International Medical Association of Advanced Homeopathy, Greece
- 14:00-14:30 Climatotherapy and health promotion
Tzouvara, S., Medical Doctor, Hellenic Academy of Thermal Medicine, Greece
- 14:30 Closing Ceremony
